

COMMUNICATIONS THAT MATTER

"Marketing communications and advertising can bring you sales in peacetime, but good corporate communication and reputation bring you survival in crises."

- Kevin Kok-Yew Tan, SOCIUM CONSULTANCY

We believe in partnering businesses for their success.

We are a Corporate Communication-as-a-Service (CCaaS) provider that focuses on communication consultancy and services for the under-served small and medium enterprises across industries.

Your business reputation is important as it helps you weather the greatest storms. We are your reputation specialists in branding, content strategies, media management, market research, strategic communications training, and conventional public relations.

We are your corporate communication partner.

We are here to support you every step of your journey

VISION. MISSION. PROMISE

As your corporate communication partner, we think for you and as you. We dig deep to understand your company so we can embody your brand, highlight your persona, reach your audience, foster trust on your behalf.

Our promise is to be there for you so that your brand can be there for your stakeholders when and where they need you.

OUR TEAM

Kevin TanFounder and CEO

With more than a decade of experience in communications, Kevin started his career in the public service dealing with media relations. Besides being a well-published communications scholar and adjunct lecturer in local universities, Kevin had also led media management teams in national and international crises. As a digital communication strategist, Kevin has helped various businesses advance their standing through digital branding and marketing.

Kenneth Chia
Content Strategy Consultant

Kenneth has 13 years of experience in copywriting, creative strategising and campaign design. Applying his marketing skills and creative thinking, Kenneth has helped to create successful campaigns for the likes of DBS, Heineken, Lego, McDonald's, and Samsung. On top of having his work featured on CNN, Kenneth represented Singapore at the world's largest advertising festival - Cannes Lions International Festival of Creativity - in France.

Jerena Ng Editorial Consultant

Jerena has clocked in two decades in publishing, including stints at Singapore Press Holdings and MediaCorp Publishing. She continues to explore areas beyond the industry because she likes to think that the way forward is what Abraham Lincoln advised: "The best way to predict your future is to create it".

Dr Claire Tan Branding Consultant

Claire is a branding and communications professional with more than two decades of experience traversing government, corporate, academe, and non-profit. Some of Claire's notable appointments across the public and private sectors include Director of the Singapore (SG) Brand Office at the Ministry of Communications and Information (MCI) and Senior Vice-President at Lazada's Regional Office in Singapore.

STRATEGIC MEDIA MANAGEMENT

Being the face of the company, you may often be required to face the media. Backed by years of experience, Socium can help media-facing individuals anticipate media behaviors, avoid common traps, while confidently delivering their message.

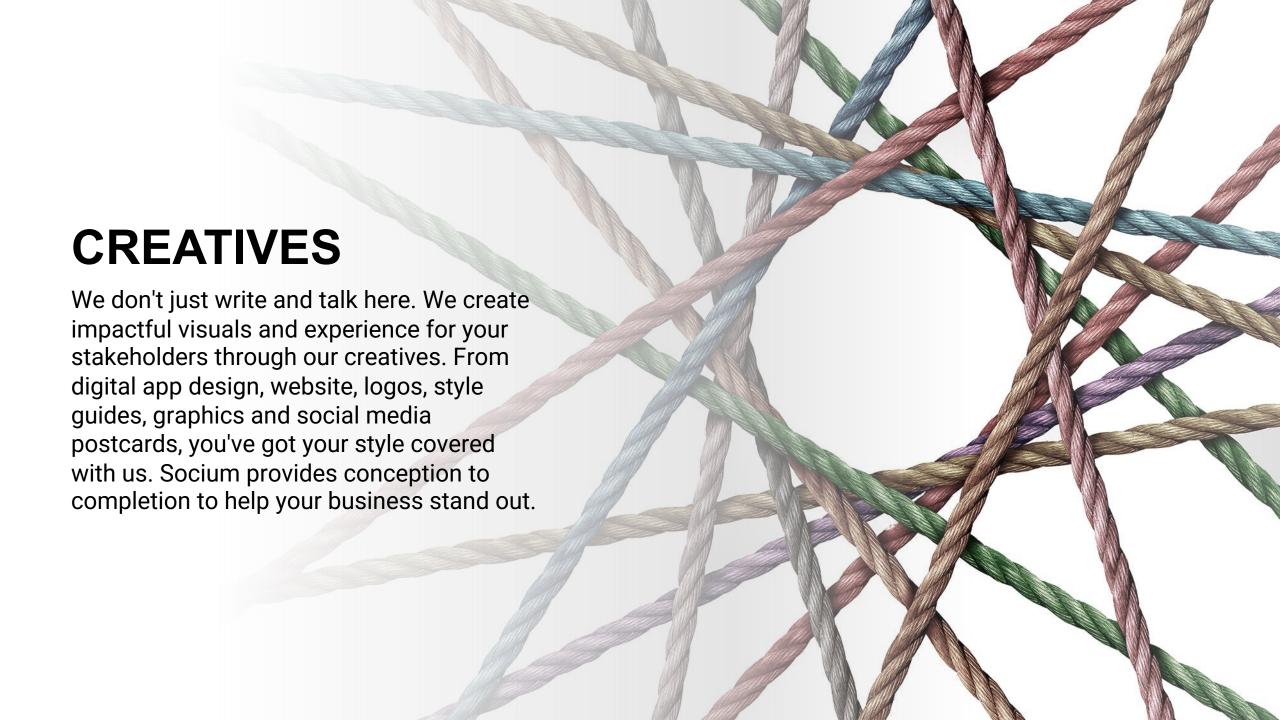

DIGITAL BRANDING

Your company's brand is your company image. It is how your past, current, and potential customers view you and your products and services. With social media's global penetration rate growing exponentially, your digital branding is more important than before.
